

CLL SOCIETY

CLL Society Expert Access Program

A No-Cost, Second Opinion with a CLL Expert—from the comfort of home

Have you ever wondered what another doctor might say about your CLL? With CLL Society's *Expert Access Program*, you can now **speak with a nationally recognized CLL expert online**, without the time, travel, or hassle of a traditional office visit.

Expert Access Program is a **no-cost, HIPAA-compliant video consultation program** for to CLL patients.

Who can apply?

Anyone diagnosed with CLL, over the age of 18, in the US, who does not have access to care from a CLL expert.

The CLL Society Expert Access Process

1) Complete the *Brief Online Survey* for qualification

2) Submit the *Medical Record Release*

3) Schedule your *Video Consultation*

4) Visit with your *CLL Expert online*

5) Receive your *Visit Summary* and take the *Post-Visit Survey*
